

2017-2018 Bucher Elementary Student Directory Additional Student Form

Information to access the Bucher Elementary Student Directory is attached to this form.

In order to comply with confidentiality requirements, this year's directory includes only the names and/or contact information for students who submitted an information form signed by a parent or guardian. If your child's information is not included in the Student Directory, it is because we did not receive a signed form.

We plan to circulate an updated version of the Student Directory, to include information for additional students based on information that is subsequently submitted. If you would like your child's name and/or contact information to be added to the Student Directory, please fill out the form below and return it to your child's teacher.
